NUMBER 21

LIGHT VOTE CAST IN RUN OFF PRIMARY

A total of 2716 votes were cast in Milam county in the race for Attorney General in the run off primary election on Saturday, August 26.

In the race for Associate Justice of the Supreme Court 2698 votes were cast. Judge Richard Critz of Williamson county led Gordon Simpson of Smith county while Jesse Martin of Fort Worth received a majority of 512 votes over Grover Sellers of Hopkins county.

Judge Simpson, now head of the Army Court in Italy, and a veteran of two wars, was elected in Texas by a majority of some 75,000 votes while Grover Sellers, the incumbent, was nominated for Attorney General over Martin.

The official vote totals in run off races in the county are as follows:

For Attorney General:	
Jesse Martin	1614
Grover Sellers	1102
For Supreme Court:	
Richard Critz	1456
Gordon Simpson	1262
For Commissioner Precinct 2:	
Grady Stidham	952
W. W. Markham	949

8 Young Men Leave For Military Duty

Eight young men have left Cameron for duty in the army and navy, it was announced here this week by Mrs. Jack Lewis, Chief Clerk of Local Board 2.

The men are: Melvin Gordon Lowery, Robert John Bishop, Narciso G. Alonzo, John Wesley Curtis, Donald Lester Glass, Lee Roy Schattler, Jerry Joseph Hairston and George Edward Hosch.

Gets Purple Heart

T/Sgt. T. W. MITCHELL

T/Sgt. Teo W. Mitchell, son of Mr. and Mrs. T. O. Mitchell was born and reared in the Clarkson community. He enlisted in the Army August 18, 1935 at Fort Sam Houston and saw service there until March 1942. He was later transferred and helped to organize the 85th Division, known as Mrs. Mitchell lives with her sister, Mrs. Roy Harper of Lake Jackson, and is employed with the Bell Telephone Company.

On June 4th, Mrs. Mitchell received word from the War Department that Sgt. Mitchell had been seriously wounded in action and was in a hospital in Italy. Later she received word that he was better and had been awarded the Purple Heart. He speaks highly of the Medical Department and says it is the best in the world. To quote Sgt. Mitchell: "You can kiss every person you meet who gave blood for the Armed Forces. I used a gallon and couldn't have lived without it. I guess one can never know what a wonderful country the good old U. S. A. really is until he's nearly dead, once. Then one realizes we have the best damn Army and Country in the world." the "Custer Division."

The year 1943 was spent training for overseas action, including three and half months of severe desert training. Sgt. Mitchell's Division was sent to Africa and immediately went into action in Italy.

GRAND JURY RETURNS TWELVE INDICTMENTS

Grand Jury in District Court here Tuesday reported 12 indictments after a two day session and adjourned subject to call.

E. B. Yager of Maysfield was foreman of the Grand Jury.

Nine of the bills returned were for felonies and three were for misdemeanors.

Six of the indictments were against Homer L. Pope and Carl E. Whitaker for robberies in Rockdale and Milano on the night of July 22. The charges involve robbery of stores and the theft of a car from an evangelist who was holding a meeting in Rockdale.

Later in the night Pope and Whitaker took a pickup truck from Mr. Haddock at Milano. The men were arrested in Cameron at a local hotel the following day by Constable Ike Robbins of Milano and Sheriff Carl Black.

Two of the indictments were for murder and returned against Gilford Shuffield and Lee Johnson in connection with the killing of Henry Dickerson, a negro on the night of July 3.

One felony was returned against Perdrie Howard, Gause negro, who attempted to kill his wife. The knife with 5 inch blade, still bloodstained is in possession of County Attorney Gunn. Howard first shot his wife as she ran across the field and when she fell attacked her with a knife. She was gravely wounded and miraculously survived.

Three misdemeanor bills were returned against Robert Pain, a negro who was making intoxicants in the Kolb Community.

30.94 Inches Rain Is Total To Date

A total rainfall of 30.94 inches was reported for 1944 up to Thursday noon by R. W. Hester, local observer for the government.

A total of 6.25 inches has fallen here since August 31. During Tuesday and Wednesday 1.99 fell and for the preceding dates 4.26.

On the watershed of Little River much rain has fallen. Temple reports 1.57; Taylor 1.51 and Lampassas 1.11.

TWO WHITE MEN FACE MURDER INDICTMENTS

Gilford Shuffield and Lee Johnson were indicted for murder in connection with the death of Henry Dickerson, negro, in Cameron on the night of July 3, 1944, by the Grand Jury which made its report and adjourned subject to call Tuesday.

Bond had not been fixed but the men are at liberty under a bond set at \$1000 in Justice Court here, following the death of the negro and charges of murder.

Dickerson, janitor at First Baptist Church, died in a local hospital on July 5 after he had been picked up in a negro section of the town near the Southern Pacific tracks. He had been slashed with a knife across the back and fatally beaten with a hammer or blunt instrument.

On the morning of July 4th Lee Johnson was charged in Justice Court with aggravated assault. Shuffield was not charged at the time. After the negro's death both men were charged with murder with malice aforethought, following investigations by Sheriff Carl Black and Ed Gunn, county attorney.

The case has not been set nor has bond been fixed by the court.

SECOND LOCKER PLANT GETS UNDER WAY HERE

A second locker storage plant for Cameron was under construction here, according to announcement of Hayden Lawrence of the Cameron Ice & Cold Storage Company.

Mr. Lawrence announced early Monday that work had begun on the plant which will be an addition to his already large ice and storage business in Cameron. A car load of lockers has been received and are ready to be placed when the building is complete.

Mr. Lawrence said he expects to have the plant in operation by the middle of September.

While no announcement had been made it was understood that Mr. Lawrence contemplated an expansion of his industry here to include additional storage facilities and possible new services.

Cameron Ice & Cold Storage Company plant formerly housed the light and water utilities which were sold to the Texas Power & Light Company and the Community Public Service Company and jointly owned by the late T. S. Henderson and C. W. Lawrence.

The buildings and plant are still intact and the ice and cold storage business has continued in operation. The freezing plant is the largest in central Texas.

SGT. WELDON TURNER MISSING IN ACTION

Sgt. Weldon E. Turner of Cameron, is missing in action in France since August 14th, it was learned here Monday.

A telegram from the War Department was received here Saturday by Mrs. E. E. Turner, mother of Sgt. Turner.

Miss Ennis Turner with the Southwestern Bell Telephone Company, and a sister of Sgt. Turner, said at noon Monday no further details had been received beyond the war department message.

Sgt. Turner, born and reared in Cameron, has been in the army since 1935. He enlisted the second time in 1937. He was attached to an infantry unit which took part in the invasion of France and subsequent battles which drove the Germans out of the beach country.

Action has been swift in the battle for France and it is highly probable that Sgt. Turner may be a prisoner. Friends here were eager for additional details.

H. H. Coffield Takes Over Interests of Lanning & Coffield

H. H. Coffield of Rockdale has taken over the producing properties and other assets of Lanning & Coffield, Inc. Mr. Coffield has foreclosed debt and dissolved the corporation.

Lanning & Coffield, Inc., owned the Chapman oil field in Williamson county and had operated the properties for several years.

Announcement of the dissolution of the corporation was made last week by Mr. Coffield of Rockdale.

Home From China

LT. CURTIS LOWE

LT. CURTIS LOWE IS AT HOME FROM CHINA

First Lt. Curtis Lowe, United States Army Air Corps, has arrived at his home in Cameron from the Eastern war theatre.

Lt. Lowe, B-17 Boeing fortress bomber pilot, has been based somewhere in China and it was understood by The Herald that he has 72 combat missions and many brilliant exploits in the air in battles against the Japs in the East.

Lt. Lowe returns to the states much decorated, his awards including the Air Medal and Distinguished Flying Cross.

Lt. Lowe is one of the airmen whose work has been done under the most difficult of conditions. Out there in the China theatre there has not as yet been concentrated sufficient air forces and equipment to equalize the burdens of combat borne by so few gallant men of the air.

The Herald hopes to bring a more complete story of Lt. Lowe's experiences in a subsequent issue.

Among the exploits credited to him is the destruction of a hundred thousand tons of Japanese shipping.

Hazards hitherto not experienced by the air corps have been common to these men who depend on supplies flown in over the great mountain ranges of China. Problems of food and equipment are equally acute. Perhaps no greater hardships have been endured by any in the history of flight than the sacrifices made by men of the China theatre.

Mr. and Mrs. Cage Kennon and son of Sumerville are visiting relatives and friends in Cameron.

WAR CHEST WORKERS GOING TO McCLOSKEY

Citizens from all sections of the county will go to McCloskey hospital on Tuesday, September 12, for a conference on the October canvas for funds for the United War Chest, it was announced here today by R. W. Hester, County Chairman.

Precinct chairmen and workers in the Chest drive will be especially interested in the conference. Mr. Hester has named the county committee, with A. W. McCullin, Past County Chairman; Albert Collins, special gifts chairman and A. K. Gurecky as treasurer.

The 1944 United War Chest drive will get under way in early October. The quota for the county is \$11,188.

The conference at McCloskey on September 12 will be attended by more than 100 workers from the 12 county district. A period of instruction will take a portion of the forenoon. A luncheon and a tour of the hospital will be had in the afternoon.

Carlton J. Smith of Waco regional chairman, will preside at the conference. Dr. H. Grady Harlan of State Teachers College in San Marcos is field representative and will be present.

Of especial interest to Milam County Chest workers is the announcement that A. W. McCullin of this city will be one of the speakers. Mr. McCullin is one of the highly successful chairmen who directed the War Chest Drive last year.

A motion picture revealing the plight of suffering peoples in the war zones overrun by Germany and Japan, including our own soldiers in prison camps, will be shown. The services of the USO will be emphasized in this picture.

Mrs. Doc and Mrs. Hubert Thweatt of Maysfield were Cameron visitors Monday.

DR. G. B. TAYLOR IS BURIED AT BEN ARNOLD

Funeral services were held at 4:30 p. m. Monday, September 4, 1944, for Dr. Green B. Taylor, veteran Cameron physician and medical specialist, who died at his home in this city at 10 p. m. Saturday.

Dr. Taylor suffered a heart attack early Saturday after he had gone to his office in the Taylor building around 10 a. m. Early in the evening of Saturday his condition became more critical and he died shortly after physicians had been summoned to the home.

Dr. Taylor was a native of Bell county. He was 69 years of age. Shortly after completing medical college he moved to Cameron and began practice. He had been active in practice here as an eye, ear, nose and throat specialist for the past quarter century and more, maintaining offices in his own building. At one time he was a large land owner.

During the days when he was most active he served as Secretary of the Milam County Medical Society and was a former President of the District Medical Society.

Surviving are his widow, Mrs. Ida Looney Taylor who is a daughter, of Mrs. Ike Looney and the late Ike Looney, pioneer and former member of the Texas Legislature, one son Jack Taylor who arrived in Cameron Monday from his home in Oklahoma. One grand daughter, child of his only son Jack Taylor, survives also.

Three sisters survive as follows: Mrs. Ollie Honeycutt and Mrs. Lilla Vanatta of Temple and Mrs. Birdie Tierney of Beaumont.

Jack Taylor, only child and surviving son, was a famous athlete and former Baylor student who played football under Frank Bridges.

Rev. C. W. Sanders, pastor First Baptist Church, conducted the services from the Marek-Burns Funeral home in Cameron. Interment was made in the cemetery at Ben Arnold where the deceased of the Looney family are buried. Dr. Taylor was a member of the Baptist church here.

GERMAN RESERVES SLOWING ADVANCES

Heavy fighting on the approaches of the Siegfried line in Germany was reported Thursday.

German reserves were being thrown into the fight and the advance of the American army was slowed considerably.

General Patton's Third American army fought the Germans fiercely in the Moselle valley near the German border after having been stalled almost a week awaiting supplies for the big push into Germany.

Around Metz the heaviest fighting of the French campaign was in progress. The Germans had taken advantage of the slow down of the Third Army and had thrown up a great army before General Patton. The Americans had secured a bridge head across the Moselle and were pouring men and armor into the battle.

General Hodges and his First American army had thrust across the Meuse river on a broad front and had taken 25,000 German prisoners, including two Major Generals.

Since June 6th the Americans have taken 205,000 German prisoners. Russian troops had slashed 50 more miles to reach the Yugoslav border to join the forces of General Tito.

Bulgaria, pleading for an Armistice was given a cool reception in Moscow.

Negro Indicted For Making Potion That Produced Drunkenness

Robert Pain, negro, has been indicted on 3 charges by the grand jury for making and selling a potion that produced drunkenness, it was reported by Ed Gunn, county attorney.

This is the first case of manufacture of illicit drink since prohibition was repealed. A farmer who drank some of the stuff also was robbed and lost a rifle. He reported the negro and testified against him.

T/Sgt. Harold Jackson and wife of San Francisco, Calif., have concluded a week's visit here with his mother, Mrs. F. R. Jackson, Sr. T/Sgt. Jackson was born and reared in Cameron and many friends were glad to welcome his return visit.

Back the attack with Bonds!

In Old North State

PFC. JOHN PATTERSON

Pfc. John W. Patterson one of two brothers of the family in the Armed Forces is stationed at Greensboro, North Carolina.

He is the son of Mr. and Mrs. Jesse Holloway of Cameron. When Pfc. Patterson entered the service he went to Ft. Sam Houston for a few days training before reporting to Sheppard Field, at Wichita Falls, where he received some hard training. Later he went to California where his wife and baby joined him and remained there until he was transferred to Greensboro, N. C.

Before entering the service Pfc. Patterson was employed as a fireman at Ft. Ord, Calif.

He was born and reared in Maysfield.

Grady Stidham Gets Re-Nomination For Commissioner Here

Grady Stidham, serving his 6th term as Commissioner for Precinct 2, won the nomination for a seventh term in the Primary election on August 26th, over W. W. Markham, Cameron business man.

The majority was 33 votes, one of two narrow margins to feature Democratic balloting this summer. Report of the election results have been delayed to Herald readers because of the vacation by members of the staff.

The Democratic Executive Committee at its meeting Saturday morning certified the official totals as follows: Stidham 982 votes and Markham 949 votes.

Mrs. W. L. McIntosh has received news that her husband, Lt. McIntosh is in France, and was in the invasion, and when writing, was in a fox hole but spoke cheerfully of the prospect of success of the Allies.

GERMANS DRIVEN OUT AS ALLIES MOVE ON

Paris was liberated early Wednesday according to a statement released from the headquarters of General Charles De Gaulle.

French patriots in an uprising that forced some 50 thousand armed and fighting with many more converging on the city, were responsible for the liberation of the French capital.

Paris was a free city after 4 years of German occupation.

It seemed apparent that the Allied high command could have reduced the city at any moment but chose rather to see Frenchmen liberate their own capital.

The Germans were fleeing the advance of Paris but were being held up to some extent by fighting French patriots and the surging Third army of General George S. Patton, already far beyond the city.

Units of the invasion forces were swinging up toward the lowlands of Holland and Belgium.

New landings were made in the Brest area according to a news item early Wednesday. The German radio was first to announce that Allied troops had landed on French soil near Brest.

The official German radio late Tuesday painted a dark picture of the war for the German army. Among other things the Germans said that the superiority of the Allies is responsible in large measure for the collapse of the Nazi in the Normandy and

Belgian sectors.

The Russian army was less than 100 miles from Berlin in their latest invasion thrust.

Additional information may come on the Bordeaux landing later in the day. Such a move would bring the entire German armies in France under disintegration.

Military observers predicted that the Germans would be driven out of France within a few days.

MILAN COUNTY WEAL, CAKE AND HULLS FOR MILAN COUNTY FARMERS

The Government has again set the price on all cotton seed products, meal cake, hulls, oil and linters, whether sold to the Government or to the public.

From all appearances the cotton crop in Milan County will be very short and it looks like it will take every pound of seed produced in the County to furnish protein feed for the livestock in Milan County alone.

I am urging you farmers to gin your cotton with a ginster who will sell the cotton seed to the Oil Mills of Milan County, so that you and others in the County may have the benefit of the use of the cake, meal and hulls for your livestock.

We have at all times given the farmers the preference over any one else in the sale of cake, meal and hulls and shall continue to do so.

See that Milan County cotton seed are kept in Milan County.

CAMERON COTTON OIL CO.

R. L. Bache, Owner

RUSSIA DECLARES WAR ON BULGARIA TODAY

Russia has declared war on Bulgaria, it was announced at 1 p. m. in a broadcast by Cedric Belfrage. The announcement came at the close of his broadcast and was a bulletin just in the news room.

The German army was reported to have capitulated but later the rumor was denied by the Germans. The report that the Germans had quit came out of Bulgaria.

Russia's declaration of war on Bulgaria came at a time when that Balkan country was seeking a way out of the war.

The word "armistice" has crept into the war news. If an armistice is granted anywhere it is treason to the men who have died and those who are fighting.

Mr. and Mrs. Milton Lehnberg of Houston accompanied by Mrs. Lehnberg of Bartlett, mother of Milton Lehnberg, spent the week end in the home of Mr. and Mrs. E. F. Bailey of Cameron.

Miss Olga Horlick daughter of Mr. and Mrs. Henry Horlick is reported recovering nicely in Newton Memorial Hospital.

Grand Jury Begins September Term Session in City

Grand Jury in District Court convened here Monday morning and began work shortly after 10 a. m. when Judge O. L. Lind administered the oath.

The members of the jury are: H. L. Yager of Mayfield, foreman; Francis Sherrill of Ben Arnold, V. E. Leistik of Cameron, E. D. Prossack of Elm Ridge, Herman Dornier of Clarkston, Edwin Fisher of Burdick, Nelson Davis of Sharp, A. E. Arvett of Pleasant Hill, W. O. Newton of Cameron, L. E. Cunningham of Garretts, Norman Clement of Thosville and A. J. Parsky of Norman Valley.

Ed Gunn, County Attorney, said the jury was hard at work and a large

We are ready to Handle

GOVERNMENT LOAN
COTTON

number of witnesses were on hand. At least two days will be required to complete the work, he said.

Miss Florence Miller, daughter of Mr. and Mrs. Ed Miller of Burlington is recovering from a recent operation in the Newton Memorial Hospital.

Mrs. W. D. Black of Freeport is reported to be recovering nicely following an operation in the Newton Memorial Hospital. Mrs. Black is formerly of Jones Prairie.

Tom Floyd of Freeport was a Cameron visitor Monday.

When Buffaloes Stopped the Iron Horse

...TRAVELERS WERE PATIENT

Remembering the hardships of the stagecoach and covered wagon days, travelers once looked upon the new woodburner trains as solid luxury... despite choking smoke, bumpy roadbeds; no electric lights, no berths or dining cars... despite delays of hours on end when great herds of migrating buffaloes marooned them in the middle of an endless prairie.

Today, if the train, plane or bus is late, if reservations are hard to get or we can't squeeze into the dining car,

we can still take comfort in the fact that America is moving at a pace that has astounded the world.

When this war is won, the transportation facilities of our country will have hung up an incredible record for efficient movement of fighting men and freight—and civilians, too. Meanwhile, public opinion is agreed that we should not travel unless absolutely necessary and, if we must go, take inconveniences cheerfully and patiently—like good soldiers.

Like so many other worthwhile products, Budweiser may not be available every time you call for it. People everywhere have discovered that only Budweiser tastes like Budweiser. That is why they continue to ask for it. That is why it is the world's most popular beer.

In addition to supplying the armed forces with glider and bomber fuselage frames, wing parts, gun turret parts and foodstuffs, Anheuser-Busch produces materials which go into the manufacture of: Rubber • Aluminum • Munitions • Medicines • B Complex Vitamins • Hospital Diets • Baby Foods • Bread and other Bakery products • Vitamin-fortified cattle feeds • Batteries • Paper • Soap and Textiles—to name a few.

CAMERON GIRL WEDS IN BOSTON

Miss Mary Ann Zalesky, daughter of Mr. and Mrs. Joseph Zalesky became the bride of Albert J. Hurtik, U. S. N. of Rosebud at 5 p. m. August 19, 1944, in Boston, Mass.

The bride wore a smart tailored light blue suit with white accessories, with a shoulder corsage of white gardenias and a single gardenia in her hair.

The double ring ceremony was performed by Rev. Vincent Manger at the U. S. N. Receiving Station. The groom is the nephew of Mr. and Mrs. V. J. Hill of Rosebud and resided there prior to entering the service in 1939. Edward McJinn of Glasgow Scotland, who is with the King's Royal Navy served as best man.

The couple will honeymoon in Boston and be at home in New Orleans, La., where the groom will be stationed.

OBSERVES BIRTHDAY

On Thursday evening, August 24, 1944, a host of friends and relatives gathered at the home of Mr. and Mrs. Erwin Pimpler out in the Sharp community to honor Mrs. Pimpler on her birthday. After a few hours of games, refreshments of cake, pies, cookies, sandwiches and coffee were served to the following: Mr. and Mrs. Lee Hall and daughter, Mozelle and Helen; Mr. and Mrs. George Schrode; Mr. and Mrs. Oscar Meek and daughter, Mary Lou; Mr. and Mrs. Peter Meek, Mr. and Mrs. Bill Herman, Mr. and Mrs. Arnold Perskey, Mrs. Springer, Mrs. Annie Abel and son, Henry; Mr. and Mrs. Henry Von Gonten, Mr. and Mrs. Carl Lafferre and son, Lee Roy; Mr. and Mrs. Will Dittmar and daughter, Dora; Mr. and Mrs. Erine Brown and daughters, Dolly and Gloria Gene, Mr. and Mrs. Burnie Miller and son, Burnie Allen; Mr. and Mrs. Ronald Lafferre and daughter, LaNette Elaine; Mr. and Mrs. Floris Abel and daughter, Virginia Ray; and Mr. and Mrs. Edwin Pimpler and son, Harold Gene.

Monroe C. Flentge of Killeen spent last week with his cousin, Eugene Hensel of Burlington.

Mr. and Mrs. Cozine Sheffield of Corpus Christi are the happy parents of a baby girl born August 29, 1944, at the Cameron Hospital. She has been named Carol Ann and weighed 7 pounds and 9 ounces. Mrs. Sheffield will be remembered as the former Miss Susie Mae Price of Cameron.

Back the attack with Bonds!

S/Sgt. Robert Tynes has been transferred from Camp Hood to another Camp where he will take a six weeks Radio Engineering Course. Mrs. Tynes is making her home with her parents, Mr. and Mrs. Ernest Williams of this city.

Mrs. Billy Loftin of Waco visited relatives and friends in Cameron last week.

Dave McLane has returned to his home recovered from an operation in the Newton Memorial Hospital.

E. B. Yager of Maysfield, large planter in the bottoms of Little River, was in Cameron Monday on business.

C. M. Pierce of Hanover was in Cameron Monday on business.

Nelson Davis of Sharp was in Cameron Monday. He was discharged from the army several months ago because of injuries sustained in the North African campaign.

Miss Dorothy Johnson who is employed with the Houston Harris County Ration Board was a week end visitor in the home of her parents, Mr. and Mrs. Tillman Johnson.

NO MATTER WHERE YOU LOOK . . . OR WHAT YOU LOOK FOR

ADMIRATION WILL PLEASE YOU!

Aroma?

The robust, magnificent aroma of Admission isn't just an accident. It is scientifically blended into every pound by the use of choice, expensive coffees.

Richness?

The rich, winy mellowness which delights you with every sip has its origin in the same fine coffees that impart Admission's aroma. You can't get this with cheap, inferior coffees.

Flavor?

As for flavor—well, Admission's is best described as an experience all its own. It simply does something to you, this unique flavor. You can recognize it at the first whiff, whether in a hotel, cafe, or drifting in from the kitchen.

A Superb Blend of CHOICE COFFEES

In these days of corner-cutting, "saving" on ceiling prices, and so on, we cannot emphasize too much the choice, expensive coffees which are exclusively used in the Admission blend. They are the secret of its delightful, inviting flavor. They make it stand apart from every other brand in America. They make it stand apart today in particular, when so many people are complaining that some established brands have suddenly gone flat or acid-tasting. Admission never has and never will vary in aroma, richness and flavor, even from package to package. You can rely on that.

METHODIST PASTOR URGES CHURCH LOYALTY

Since cooler weather has come the pastor will be expecting all Methodist who are not providentially hindered to be in attendance of our church services next Sunday morning and evening. Our church attendance for the warm summer months has not been bad. Now is the time for Christian people of America to put God and spiritual things first in their lives.

The pastor will be in his pulpit at both services next Sunday. At 10:50 a. m. his theme will be: "Am I Really a Christian." At 8:30 in the evening his theme will be "The Peril of Fruitlessness."

We will be expecting our church members, our friends and visitors

"WE HAVE IT"

From where I sit... by Joe Marsh

Recipe for a Perfect Marriage

Dee and Jane Cuppers celebrated their Golden Wedding Anniversary last Saturday. Having so many friends, it seemed like half the town stopped in that evening to pay their respects.

Little Ida Moffat brought a home-made poem to read, called *Love Enduring*. Bert Childers fiddled "Silver Threads Among the Gold." Will Dudley made a speech and proposed a toast.

And as I watched that toast—Dee with his glass of beer, Jane with her buttermilk—I thought to myself: There's a recipe for

happy marriage. Two folks with different tastes—no doubt an honest fault or two—who through the years have learned to live in tolerance and understanding.

From where I sit, Dee and Jane are a mighty good example to young married people of today—an example of how moderation, tolerance and understanding can build lasting happiness and solid homes.

Let's Keep This Years Graduates Out of the "War" by Buying More and More War Stamps and Bonds!

Thank You, GOD...

Here, in a moment of quiet, taken from the work I have to do, I search for words to give You thanks.

Thanks . . . that here in the shadow of death . . . the strength is given to me to fight . . . to end the things I've seen.

The children . . . cringing and slinking away to hide. Like some beaten, broken thing . . . their eyes tense and afraid with the fear that tyranny has planted there.

The men . . . with nothing left of life but the thread of hope that freedom may come . . . some day . . . to bless their children, if not themselves.

The women . . . barefoot . . . worn . . . driven like cattle in the fields . . . desecrated . . . violated . . . but strong,

because they have the vision of a coming light . . . that may shine for them.

I have known another world . . . far removed from this . . . where men are free. Where the eyes of children are shining pools of laughter . . . where the women live in decency . . . and where the blessings of Your hand have guided those who fought and dreamed and built.

We do not know when death may come . . . nor who among us will return. But there can be no turning back . . . no faltering in the task it is our will, and Yours, to do.

And for the land and people that are ours . . . for the courage that flows with freedom in our blood . . . for the strength to fight to end these things I've seen . . . thank You, God.

YANKS REPORTED ON GERMAN SOIL TODAY

The city of Brussels, capital of Belgium in the low countries and over-run by the German army in 1941, was liberated early Monday by the British army under General Dempsey.

On Sunday the British had captured Dieppe scene of the disastrous commando raid in 1942 in which 4000 Canadian and British soldiers were lost.

A German report said that two columns of Americans under General Patton had invaded German territory. The penetration was made west of Metz and near the Belgian and Luxembourg borders. There was no Allied confirmation on this report.

A great Soviet offensive has been launched east of Warsaw and another prong of the great Red army was crossing Rumania and approaching Yugoslavia. One report said that the Reds were moving across Bulgaria, but this was not borne out by Moscow statements.

So swift has been the advance of the American 3rd Army under Gen. Patton that the battle of France is history. The 1st American Army under General Hodges was only 13 miles away from the British whose tanks were dotted with flowers as they raced into the capital of Belgium.

One German report said that a spear of the British advance had reached Holland.

General Eisenhower issued an appeal to the Belgians to rise against

the Germans. As usual the Germans were killing civilians in the wake of their flight out of Belgium.

Late Sunday the Germans said their heavy artillery had gone into action against U. S. tanks crossing the Reich border.

General Patch coming up from the Mediterranean had sped up the Rhine valley and German units had been liquidated clear through to the Spanish frontier.

The French under General Leclerc were driving along almost as fast as Patton's army and were also reported at the German frontier.

In Italy the Gothic defense line was shredded Sunday and breached on a 20 mile front by the British 8th army while General Clark and his 5th Army was moving up fast to route the Germans from Florence area.

General Douglas MacArthur who has done so magnificent job in the Pacific with a few Marines and limited air force had pounded Davao in the Philippines again with 160 thousand pounds of bombs.

BACK ON THE JOB

The Herald plant was re-opened for business Monday after being closed for 8 days. Employees are back on the job feeling the good effects of a few days of rest. Reason for closing were printed in the last issue of the Herald, daily and weekly. The publishers are deeply grateful for the understanding and co-operation which made these few days of vacation possible.

The Publishers.

Back the attack with Bonds!

Maj. Thomas J. White Leaves City; Will Go To Santa Monica, Cal.

Major Thomas J. White, Army Air Corps, left Cameron at noon Monday for Houston and from that city will go to Santa Monica, Calif., where he will report for re-assignment in the air corps.

Mrs. White, the former Miss Ruth Marek of Burlington, will go with Major White to California and if he is assigned to foreign duty, will return to Houston where she will resume her place with the Southern Pacific railroad.

Major White came to his old home in Cameron to visit relatives after 15 months in combat duty in the

European theatre of war, based in England. He expressed hope he may be able to return to combat assignment in the Pacific or Europe.

A. H. Peters With Chevrolet Co. Here

A. H. Peters, mechanic with 20 years experience, has been employed by the Grabein Chevrolet Company.

Mr. Peters has taken his place in the service department of the garage. He was formerly employed by the Etzenhoffer Chevrolet Company in Victoria.

R. G. Grabein said Mr. Peters is a mechanic and service man of wide experience and will render correspondingly an expert service in the garage.

MR. CAYWOOD

AT SCHUHMACHER WAREHOUSE

BREDT & HALEY
PRODUCE CO;

Even tire men had their fingers crossed when they were faced with the job of building tires entirely from the new government synthetic rubber GR-S. Many said it couldn't be done. But it was done! And in record time! Today, the new U.S. Royal DeLuxe synthetic tire, when driven at wartime speeds and given the kind of care any good tire deserves is doing a job so good that it's close to pre-war performance—and improvements are still being made. When you are eligible for new tires, remember, the new U.S. Royal DeLuxe synthetic tires are good tires!

IT'S VENTILATED! The open-spaced tread design and deep-cut shoulders allow cooling air to circulate freely drawing heat away from the body of the tire. This is vitally important in synthetic tires.

IT'S SAFETY BONDED! Every cord is bathed in a specially compounded solution that locks the cords firmly into layers of synthetic rubber cushion. Safety Bonding means extra miles of safe service.

IT'S MILEAGE-TESTED! In the laboratory and on the road, U.S. Royal DeLuxe synthetic tires are mileage-tested, proving over and over again that "U.S." synthetic tires are good tires!

THE LIGHT THAT BURNED LATE

Yep . . . folks noticed the light shining inside the station 'way after closing time and they knew Mac was working late again.

Mac is like most Humble Service Station men today. He's trying to do the work of three or four men. His help has gone to war and so have most of the things he used to sell. But as long as there's essential driving to be done Mac's staying on the job to do his part.

He starts earlier and works later. He fights the "black market" and urges all his customers to stick to the rationing program in its entirety. He shows them how sensible care saves repair; and when help is short you'll see him wrestling tires himself or helping with the grease job.

His day is long and busy and he often has to stay late to finish up. So when you see the light in the Humble Station shining after hours you'll know Mac has had another busy day, working on the home front.

HUMBLE

HUMBLE

OIL & REFINING COMPANY

Serving your essential war time needs today to hasten your motoring pleasures of tomorrow.

Tetra-ethyl lead, when added to gasoline, raises the octane number of the gasoline and reduces or eliminates motor "ping." But tetra-ethyl lead has recently become a critical war material . . . so critical that the Petroleum Administration for War has directed all refiners of premium grade fuels to limit their production of such gasoline to one-half the amount produced during the six months prior to June 1944. This reduces drastically the amount of premium gasoline available to civilians since the armed forces must receive their requirements first.

Also in the interest of conserving war-vital tetra-ethyl lead, P. A. W. has directed that less of it be used in the manufacture of all Regular gasoline. Consequently the octane number of this product has been reduced from 72 to 70.

So, if your Humble Station is temporarily out of Esso Extra, or if Humble Regular does not perform in your car like it did in the past, please remember that tetra-ethyl lead is really at war . . . just another of those small sacrifices all of us at home are asked to make in the interest of an earlier Victory.

NEWS FROM LIBERTY

Miss Louise Hilderbrandt of Houston visited with her parents the past week.

Mr. and Mrs. A. J. Gunnels and Mr. and Mrs. Paul Gunnels visited their parents Mr. and Mrs. A. J. Gunnels last week.

Odie Malone of Temple spent a few days with his parents, Mr. and Mrs. Henry Mills recently.

Mrs. Alfred Jistel and daughter visited her mother in law, Mrs. Jistel of Cameron.

Mr. and Mrs. Williams of San Antonio visited their children, Mr. and Mrs. Aubrey Ashley last week end.

Mad Fox Killed on Ben Arnold Farm

A mad fox has been killed on a farm near Ben Arnold, it was disclosed here this week by Dr. D. F. Smith, veterinarian, who set the head to S. W. Bohls of the State Health Department.

The report said the fox was mad and the presence of rabies was pronounced.

This is the first mad fox to be killed in that section. Last year a number were killed and were proven mad.

Mrs. Ed Gunn has returned to her home in Cameron, and is reported to be recovering nicely following an operation in the Torbett Hospital in Marlin.

Billie Wayne Angell, son of Mr. and Mrs. Earl Angell of Cameron, Rt. 3, is in the Newton Memorial Hospital and is reported to be resting comfortably.

BREACH REICH BORDER ON TWO BIG FRONTS

American and allied forces late Monday night apparently had breached the German frontier at two places as the U. S. Third army under Lt. Gen. Geo. S. Patton, Jr., was reported across the border at Perl and the First U. S. army was reported across the Reich border at Aachen, 100 miles to the north.

As those sensational reports emanated from German and Paris sources, the Dutch premier jubilantly announced that Allied forces were across the Belgian border and had struck five miles beyond to Breda, one of the strong points seized by the panzers in their 1940 drive through the Lowlands.

A swift drive into Luxembourg was presaged by Gen. Dwight D. Eisenhower's declaration that the day of liberation for the little duchy had dawned along with Holland's and Belgium's. Asking citizens to "serve in the battle," the Allied commander called on the Dutch to save from German demolition, the docks, factories and rails of Rotterdam, in the path of the British advance.

Already the wealthy industrial regions of Southern Belgium and Northern France had been freed, and it appeared that the battle for Germany and the Netherlands was about to break three days after the battle for Belgium began.

A British column rolling fast through the lowlands of Belgium along the old retreat-to-Dunkerque route reached Aalst, 15 miles west of captured Brussels and midway between the capital and Ghent. Antwerp, too fell to the fast-moving men of Field Marshal Montgomery.

Far to the south, the British entered industrialized Lille—population 200,000—and were pounding vengefully down the road to Dunkerque and Calais. Other Britons, sweeping through Armentieres, storied home of a French mademoiselle, closed on Ypres where Britons of another generation stood in a thin line and held back the might of Kaiser Wilhelm's legions.

If Patton's Third army was already in Germany, the entry into the Reich came after they threw the Germans out of Mousson on the west side of

the Moselle river Monday and sent the enemy retreating into the hills of Lorraine, five miles beyond.

Thousands of Allied bombers roared out of England Tuesday to devastate Hitler's Reich, said a noon report. The Armada, while not as large as the invasion day assault by air was believed to be one of the largest attacks yet launched by air upon the Germans.

Speculation was rife over whether the Germans can long endure these attacks. Mysterious German planes are reported landing in Lisbon and other cities along the neutral coast, indicating some of the war criminals may be escaping.

Rogers Sergeant is Given Bronze Star

Staff Sgt. Durell Ward of Rogers has been awarded the Bronze Star. It was disclosed here Monday by Mrs. Henry Lippman, sister, who learned of her brother's decoration from the government.

Sgt. Ward, born and reared at Rogers, has been in France with the army for some time.

The Bronze Star is awarded for gallantry in action or for outstanding performance of duty in combat under a number of given circumstances. It is a recognition for distinguished conduct under hazardous circumstances.

Vernon Hilderbrandt of Houston was a Cameron visitor Monday.

GARAGE NOTICE

We are pleased to announce that we have employed Mr. A. H. Peters of Victoria who will be in our Service Department. Mr. Peters is an expert mechanic with 20 years experience and has been with the Etzenhoffer Chevrolet Company in Victoria.

The Victory We Want

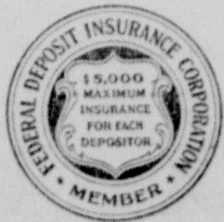

Will not be military alone. It will be the satisfaction that we made plans for Peace while waging war against the enemy. Certainly there must be no thought of relenting now that victory is in sight.

Each day we bend our efforts to win on the battlefield.

This bank wants its patrons to know that its role in the Post War world to which our heroes will return will be one of helpfulness, to provide the best banking facilities possible.

Make your plans now to serve your community and yourself better.

What Price WAR NEWS

On every battle front, in neutral capitals, behind enemy lines, we have our listening posts, manned by specially trained newsmen, many of whom risk their lives, seventeen of whom have lost theirs, in devotion to their mission of obtaining information at first hand for us at home!

No one knows, better than they, the power of facts in keeping people free — nor the price of getting true war news back to us to counteract the demoralizing effects of enemy propaganda. For their unconquerable courage and devotion to their job in every hazard, all Americans are truly grateful!

Legion of Merit

TSGT. ROY M. HEATH

LEGION OF MERIT TO
SGT. ROY M. HEATH

T/Sgt. Roy M. Heath, Signal Corps, United States Army, in Italy, for exceptionally meritorious conduct under combat conditions, has been awarded the Legion of Merit with an appropriate citation.

Sgt. Heath who volunteered for service while residing in Waco, is the son of Mr. and Mrs. W. A. Heath of Cameron and was born and reared here.

A photo has just reached the parents here in which Sgt. Heath is shown receiving the Legion of Merit award from a high ranking officer of the Army. The photo is not suited for reproduction for printing and a better one is awaited.

The citation which accompanied the

Legion of Merit award is as follows:

"Roy M. Heath, Technical Sergeant, Headquarters and Headquarters Company, 63rd Signal Battalion, for exceptionally meritorious conduct in the performance of outstanding services in Italy from September 9, 1943, to March 31, 1944. During the landings at the Salerno beachhead, Technical Sergeant Heath as non-commissioned officer in charge of the code section aboard the Fifth Army Command ship, worked continuously to keep the message center working at a maximum efficiency. During the movement from ship to shore he coordinated the movement of his men and equipment in such a manner there was no interruption in handling the increased volume of coded message traffic. His outstanding technical ability, leadership, ingenuity and untiring efforts contributed immeasurably to the success of the Fifth Army in Italy, and his ability to assume responsibility, initiative and attention to duty reflect great credit upon himself and the military service."

Sgt. Heath is a veteran of three campaigns. He landed in North Africa in November 1942, and was in the Sicilian campaign and later in Italy.

Joe Bill Heath, a brother, has just completed gunnery school at a base in Florida. He will be a top turret gunner on a fortress bomber of the Army Air Corps.

CARD OF THANKS

We want to thank our many friends for their loving kindness shown us during the recent death of our beloved wife and mother. We especially thank those who rendered such wonderful services and for the beautiful floral offerings.

J. A. Young and family.

Back the attack with Bonds!

DEPENDABILITY

You can confidently depend on us to carry out your every wish in choice of appointments. Good taste and quiet dignity prevails no matter how simple the ceremony.

Lt. Curtis Lowe is
Lions Club Speaker

Lt. Curtis Lowe, United States Army Air Corps, just back from a year of combat in the China theatre of war, was guest speaker Tuesday at the semi-monthly meeting of the Lions Club.

Lt. Lowe did not have a set address but answered questions put to him by Lions. The program was interesting from many points of view. Few flyers have been available for public addresses from the Eastern theatres mainly because there are so few of them. In Lt. Lowe's case the famous utterance of Winston Churchill is doubly true, for "never in the history of the world have so many owed so much to so few." The British Prime Minister was speaking of the British Royal Air Force in the dark days of 1940.

Lt. Lowe related as much as possible under security rules, of his experiences on China. Under General Chenault the gallant American Air Force has performed miracles in war over the great roof of the world, the Himalayan mountains. This range has elevations as high as 30,000 feet. Ships that fly the great hump not only fight but take in precious

supplies to the brave men of the air. Lt. Lowe is leaving soon for Santa Monica, Calif., where he will rest and await new assignments in the Air Corps.

Mr. and Mrs. J. M. Boehner are receiving the congratulations of many friends here over the arrival of a baby daughter, born to them on Thursday, August 31, 1944, at Cameron Hospital. The baby weighed 6 pounds and seven ounces and has been named Rita Dianne. Their first born is a son David Martin who is now two years old. Mr. Boehner is manager of the J. C. Penney Company store. They came to Cameron three years ago from Louisiana but their home is in Kansas.

Mr. and Mrs. J. B. White returned home late Saturday from a few days vacation and rest in Kerrville and in Bandera.

THESE SIMPLE SUGGESTIONS WILL MAKE IRONING EASIER

Keep the Bottom Clean

When cool, wipe bottom with damp cloth. If necessary, use soap-suds or mild scouring powder. Wipe dry.

Don't Let It Overheat

If it's nonautomatic, disconnect when hot enough. Don't go 'way and leave any iron connected.

Let the Heat Remove the Wrinkles

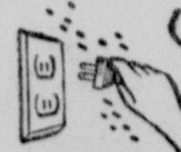

It's heat on a dampened garment that smooths out wrinkles. Don't bear down, let the iron do the work.

If It Sticks, Do This

Sprinkle salt on paper and run iron over it. Periodically rub beeswax or paraffin on sole plate. Wipe off excess.

Plug It In This Way

Attach cord to iron first, then plug into outlet. Disconnect same way. You'll protect the terminals.

Watch Out for Scratches

Don't iron over buttons, zippers, other hard articles. Don't scrape the bottom or use harsh abrasives.
